“

One of the best decisions we made for our wedding was a clear roof marquee, it was absolutely amazing and suited our wedding perfectly!

HANNAH B.
WEDDING CLIENT

“

If you need a marquee I would definitely choose Spuds Marquee Hire, 100%. The guys came two days before the wedding to set up the marquee and did an awesome job. This gave us plenty of time to decorate and put up fairy lights etc, and it looked FANTASTIC!”

ADELE F.

“

First Marquee hire for me and I wasn’t disappointed! They were on time both assembling and disassembling. To make it easy for me they supplied the heaters, lighting and the artificial grass flooring! The staff were friendly and professional and very competitive pricing.

GEORGE G.
